

**Experimental Aircraft Association  
Air Academy  
Oshkosh, Wisconsin  
June and July 2004**

**Experimental Aircraft Association Chapter 10** located in Owasso, Oklahoma will award one scholarship to attend the Experimental Aircraft Association **Air Academy** in Oshkosh, Wisconsin. The Air Academy is five days long and will require one day to travel to Oshkosh by air and one day to return. Possible camp dates are in June 2004 (ages 12 and 13) and July 2004 (ages 14 and 15). The scholarship will pay the cost of tuition, transportation, housing, meals and snacks.

To be considered for the scholarship, the student must apply to EAA Chapter 10 by April 1, 2004.
